York Older People's Assembly (YOPA) continues to support the York 50+ Festival in celebrating and publicising the range of activities available for older people in York. YOPA organises bi-monthly open meetings, publishes 4 newsletters a year, and runs Information Fairs as well as campaigning on big issues.

This year, as part of the Festival, an Information Fair will be held on Thursday 29<sup>th</sup> September from 10am - 1pm in the StreetLife Hub in Coney Street. We're grateful to StreetLife for the free use of their space and would encourage you to visit them and take part in their other activities.

We very much appreciate the support and funding from the sponsors of the Festival who help to enable the Festival to take place, and our particular thanks go to all the many individuals, clubs, and organisations who provide the events and activities that make up the Festival. This year we have an extra focus on the International Day of Older People on 1<sup>st</sup> October.

Check out our website for information on YOPA and on the 50+ Festival programme on <u>www.yorkassembly.org.uk</u> or email us at <u>yorkolderpeoplesassembly@outlook.com</u>

We look forward to hearing from you - enjoy the Festival.

### AGE UK

Here at Age UK York we are delighted to once again be able to sponsor this incredible event and offer a number of sessions as part of the fantastic array of events taking place.

Through the tireless efforts and passion of our staff, volunteers and supporters Age UK York supports hundreds of people each day across our city as we work together towards our vision where no one fears ageing and where older people feel connected, respected, listened to, supported, and enabled to enjoy a life of quality, opportunity, and dignity. We are so fortunate to do so in collaboration with so many incredible individuals, organisations and networks where we all strive together to help others across York.

You can find out more about many of these organisations through the wonderful sessions being kindly organised as part of the Festival. These offer a sample of some the activities taking place each day in communities across our city.

Please do take the time to get involved and the chance to learn and get involved in something new. I am really looking forward to doing so myself and hope to see you there.

Thank you to everyone involved in making this possible and I hope you enjoy the Festival and all it has to offer.

### HARROWELLS SOLICITORS

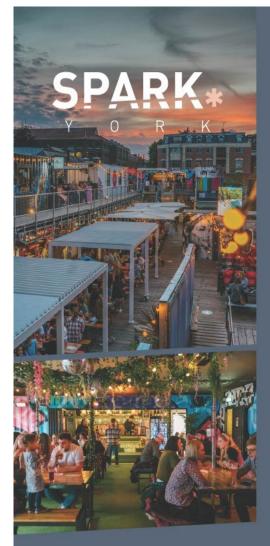

At Harrowells, we have always had a practical, can-do attitude and we have drawn on that ethos from the very start of the pandemic to ensure our clients received timely advice as conveniently and as safely as possible. It is great to see the York Fifty Plus Team follow the same approach in getting 'the show on the road' in 2022. Best wishes to everyone taking part in this year's festival.

### SPARK

SPARK is proud to sponsor this year's York 50+ Festival. We have always aimed for our venue to appeal to people of all ages, so it seemed a natural thing to do for us to support the festival this year. We've been lucky enough to work with some of York's most passionate advocates for York's over 50s, in Jim Cannon from YOPA and Sue Lister from Ageing Without Children, amongst others.

For the past couple of years, our community office has been home to the headquarters of York Older People's Assembly, a vital organisation connecting and supporting senior citizens across York advocacy, interaction and topical through social newsletters representing and informing on key issues. We also work closely with other affiliated groups such as Ageing Without Children who host monthly meetings, AGMs and celebration social events, all held in our community event space. Both groups receive free meeting spaces at the venue, alongside other community groups looking to make a difference to people across the city. We are passionate about doing our bit to build community cohesion across all generations in York, and promoting the opportunity for groups vital to these communities across the city to come together without financial restriction to meet and make a difference.

We see SPARK as a unique space championing the creative and independent community, providing a home for the next generation of entrepreneurs in York. You'll find the best food, drinks, retail, events and entertainment Yorkshire has to offer. All access facilities provide a comfortable space for individuals and groups to meet and enjoy, especially the 50+ community across the city. We look forward to welcoming you soon!
